

AQUAPHOTOMICS: UNDERSTANDING WATER in BIOLOGY

3rd INTERNATIONAL SYMPOSIUM

Awaji Yumebutai International Conference Center, Japan,
3rd-5th December 2018

Organizer :

- The 3rd International Aquaphotomics Symposium Organizing Committees
- Kobe University, Faculty of Agriculture

Partnership :

- The Spectroscopy Society of Japan
- The Japanese Society of Agricultural Machinery and Food Engineering
- The Japan Council for Near Infrared Spectroscopy
- The Society of Agricultural Structures, Japan
- The Japan Society for Bioscience, Biotechnology, and Agrochemistry
- The Japanese Society for Functional Water

Date : 3rd-5th. December 2018

Venue: Awaji Yumebutai International Conference Center
(Reception Hall B), Japan

Invited lecture: Prof. Christian Huck (University of Innsbruck),
Prof. Gerald Polack (University of Washington)

Core members

Honorable Chair: Mutsuo IWAMOTO

Chair : Roumiana TSENKOVA (Kobe University)

Vice chair : Yukihiro OZAKI (Kwansei Gakuin University)

Vice chair : Masato YASUI (Keio University)

Vice Chair: Yuichi OGAWA (Kyoto University)

Contact: *Roumiana Tsenkova* (Kobe University)
